Thank you for your suggestion No. 3148 proposing that each branch-initiated report contain the branch designation and the name of the chief analyst concerned.

Your idea has been carefully considered by the appropriate officers of the Agency who have recommended non-adoption. The Office of the DD/I has evaluated your suggestion from all aspects and a copy of their evaluation is attached for your information.

We hope that the evaluation attached and your talk with the Deputy Chief, Economic Area, QRR, will be substantial reason for the turndown.

Because your idea did not bring about an award it will not be further processed. It is the desire of the Committee, however, to express its appreciation of the interest you have shown in your suggestion program. If there are any further questions you would like answered concerning this matter, please do not hesitate to call us.

Very truly yours,
